Chris Nelson, Secretary of State
500 E. Capital Blvd.
Pierre, SD 57501

Attn: Kea Warne

On 10/31/06 it came to our attention that we incorrectly filed the schedule for itemized direct contributions on our campaign finance reports. Please accept our amended report that lists the details specified by your office.

Due to our misunderstanding of the reporting requirements and subsequent amended statement, please accept the appropriate revised reporting totals for unitemized direct contributions.

Upon this review I discovered I also incorrectly listed a \$50 PAC contribution as an individual contribution. I have corrected that listing as well.

Corrected Unitemized Contributions from Individuals: 22,177.95
Corrected Itemized Contributions from Individuals: 49,378.65
Corrected PAC Contributions: 26,350

Corrected Total: 97,906.60 (remains consistent with the original total).

The expenditures for the period are correct.

I apologize for the labeling mistake.

Sincerely,

Jon Hoadley

For the reporting period ending _____

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and the same from political parties and enter these sums as unitemized contributions on their respective lines below and on the next page. Any contribution of more than \$100 or aggregate during a calendar year from an individual or political party and all contributions from PAC's must be entered as a separate item (itemized) giving the amount, name, address and place of employment (if applicable) of the contributor. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space, or you may attach additional sheets of paper.

Voluntary Statement of Organization for a Political Action or Ballot Question Committee

State law does not require new political action (PAC) or ballot question committees to register with the Secretary of State. Law does however require these committees to file campaign finance reports periodically following the commencement of political activity. This voluntary registration form will give the Secretary of State the information necessary to send your committee the proper reporting forms prior to the deadline for filing.

Attn: Kea Warne

On 10/31/06 it came to our attention that we incorrectly filed the schedule for itemized direct contributions on our campaign finance reports. Please accept our amended report that lists the details specified by your office.

Due to our misunderstanding of the reporting requirements and subsequent amended statement, please accept the appropriate revised reporting totals for unitemized direct contributions.

Upon this review I discovered I also incorrectly listed a \$50 PAC contribution as an individual contribution. I have corrected that listing as well.

Corrected Unitemized Contributions from Individuals: 22,177.95
Corrected Itemized Contributions from Individuals: 49,378.65
Corrected PAC Contributions: 26,350

Corrected Total: 97,906.60 (remains consistent with the original total).

The expenditures for the period are correct.

I apologize for the labeling mistake.

Sincerely,

Jon Hoadley

For the reporting period ending _____

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and the same from political parties and enter these sums as unitemized contributions on their respective lines below and on the next page. Any contribution of more than \$100 or aggregate during a calendar year from an individual or political party and all contributions from PAC's must be entered as a separate item (itemized) giving the amount, name, address and place of employment (if applicable) of the contributor. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space, or you may attach additional sheets of paper.

Voluntary Statement of Organization for a Political Action or Ballot Question Committee

State law does not require new political action (PAC) or ballot question committees to register with the Secretary of State. Law does however require these committees to file campaign finance reports periodically following the commencement of political activity. This voluntary registration form will give the Secretary of State the information necessary to send your committee the proper reporting forms prior to the deadline for filing.
